FIELD TRIPS

These are no ordinary walks in the park! Museum field trips are scientific adventures off the beaten path. Join our naturalists for the chance to get close to nature, learn new things, and explore natural wonders in Northeast Ohio. Better yet, you won't even need a permission slip. Please note that all participants in Museum programs are required to wear masks and maintain social distancing.

Program costs range from \$20 to \$25 for members, \$35 to \$40 for nonmembers.

Visit [CMNH.org](https://cmnh.org) for trip descriptions and registration.

YOUTH & FAMILY EDUCATION PROGRAMS

AT THE MUSEUM

This holiday season, a Museum educator will be your guide as we explore nature just outside our doors! We'll discover all the wonderful things the winter world has to offer, including tree-identification skills, how animals stay warm, why we can see our breath when it's cold outside, and more! Our exploration will include short nature walks nearby and activities you can take home with you. Walks will be held several times throughout the day and last approximately 30 minutes. \$5 per person. Enjoy a FREE hot chocolate from Exploration: A Zack Bruell Restaurant at the conclusion of the walk!

VIRTUAL EDUCATION PROGRAMS

Teen Education, Discovery Academy, and Educator Professional Development

Visit [CMNH.org](https://cmnh.org) for more information on all our education programs and to register!

Program offerings are added regularly; check [CMNH.org](https://cmnh.org) for up-to-date information.

NEW IN 2021!

LAKEFRONT BIRDING TRIPS

Dr. Andy Jones,
William A. and Nancy R. Klammer
Endowed Chair and Curator of Ornithology

Starting January 2021

Join Dr. Andy Jones for a birding adventure to kick off the new year! In excursions perfect for both beginning and seasoned birders, we will explore local habitats to become familiar with the bird species that spend the winter in the Cleveland area. There are more intrepid wintering birds than you may realize! Dr. Jones has created a list of "21 Birds for 2021," the first 21 species to kickstart your year of exploring the natural history of the region. We will select the exact location (somewhere within Cuyahoga County) one week before the date, based on weather as well as local bird patterns.

Registrants must provide their own binoculars.
Members: \$20; nonmembers: \$35
Age Range: 13+

*If necessary, the Museum will share any cancellation decisions prior to the start of the event.

PAWS

CLEVELAND MUSEUM OF NATURAL HISTORY 100
PERKINS AMBASSADOR & WILDLIFE SPONSOR

Calling all animal lovers! Check out our new PAWS Program, a yearly sponsorship opportunity allowing animal lovers to support our wildlife in the Ralph Perkins II Wildlife Center & Woods Garden—Presented by KeyBank. Sponsor one of our animal ambassadors for one year and you will receive a certificate of sponsorship, a unique behind-the-scenes photo, and quarterly updates on these amazing animals—sent directly to you! A portion of the proceeds of this program will go to our Wildlife Division. Please visit CMNH.org to learn more about our available Perkins ambassadors and our two types of sponsorships, made possible in part by our partnership with Cleveland Whiskey.

Standard Sponsorship: \$120/year or \$10/month
Adult Sponsorship: \$144/year or \$12/month

**Sponsorship will be valid for one year from the purchase date. Fifty percent of proceeds will support wildlife resources at the Museum. A current and valid email address is required for sponsorship.*

COLLECTIONS & RESEARCH (CORE) SPONSORSHIP PROGRAM

Be on the lookout for a new sponsorship program featuring some of the Museum's most beloved icons. Similar to the PAWS Program, this opportunity will allow you to sponsor a favorite item for one year and directly support the Museum. Certain sponsorships will also feature unique and one-of-a-kind experiences! Be sure to visit CMNH.org this winter/spring for more information on our launch.
